# SPOOK THE SCHOOL WITH FLAMINGHOULS!

## Flamingos Always Pink? Not in October!

This October, prepare for a colorful twist. Instead of their usual pink selves, these feathered friends transform into "FlaminGhouls" that glow in the dark.

In the spirit of Halloween, help the PTA with a fundraiser to unleash FlaminGhouls onto PS 204's front yard! We're set to "spook the school" by decorating the front yard with these glowing feathered friends, adding a bit of Halloween fun while also supporting our school's future programs.

Each FlaminGhoul is \$5. To purchase a FlaminGhoul to donate to the flock and support the school, complete the order form **by October 20th**. FlaminGhouls will start to make their first appearance around mid-October. Please enclose your payment in an envelope labeled with your child's full name, class, and "Spook the School."

Follow us on Instagram and Facebook at PS204.PTA for all the latest updates that are sure to light up your day!

---
